FOREVER

DEAR JON,

-OTX-

WELL OUR RELATIONSHIP THIS TIME DIDN'T TURN INTO A ROMANCE LIKE SEVENTH GRADE. WHAT A HASSLE. YA KNOW I HAVEN'T BEEN GOOD FRIENDS WITH A BOY LIKE I'VE BEEN WITH YOU IN ALL MY LIFE. GUY I LOVE TO CALL YA AND JUST TALK ABOUT SMART STUFF LIKE CHEM & TRIG. I LIKE YOU BECAUSE YOU'RE PLANNING A BIG FUTURE WITH COLLEGE AND EVERYTHING. CHEM HAS REALLY BEEN A BLAST. EVEN THOUGH I AM A LITTLE DUMBER THAN YOU. THIS CLASS IS REALLY GOING TO STICK IN MY MIND BECAUSE OF ALL THE SICKENING TESTS AND STINKY LABS.

I HOPE THAT WE SEE A LOT OF EACH OTHER THIS SUMMER. I DON'T THINK WE WILL UNLESS YOU MAKE A POINT OF IT. WHICH I HOPE YOU DO! FRIDAY NIGHT WAS SUCH A BLAST EVEN THOUGH I GOT CUSSSED AT AND PULLED OUT OF CO'S CAR BY MY PANTS (COOL CO)

YOU NEED MORE CONGRATULATIONS SO I'LL GIVE THEM TO YOU ^{K MISTAKE} CONGRATULATIONS FOR CHAPARRAL PRES, ~~Soph~~ ^K ~~class~~ PRES, Sr CLASS PRES, AND BEING A NEAT GUY. YOU KNOW YOU AND CO HAVE A LOT IN COMMON I CAN SEE WHY YOU GET ALONG.

I HOPE I DIDN'T BOTHER YOU TOO MUCH ABOUT HOMEWORK BUT I NEED HELP (IN MORE WAYS THAN ONE)

I THINK NEXT YEAR YOU SHOULD TAKE EASY COURSES SO WE CAN MESS AROUND. IT'S NO FUN DOING HOMEWORK CONSTANTLY. ISN'T YOUR BRAIN KIND OF WORKING OUT. MINE SURE IS. (SO IS MY HAND)

DON'T WORRY ABOUT HAO BEING MAD HE'S NEVER MAD AT ANYONE. I DON'T THINK HE CAN BE.

I HOPE YOU GO TO THE OT DANCE THEY'RE USUALLY REALLY NEAT. I LIKED LAST YEARS. IT WAS KINDA WEIRD THOUGH (ASK CO)

LOVE YA BUNCHES OTX FOREVER

Jon -

It has been fun knowing you
this year in Tracy's class. Hope you
are successful next year at Poly
Lots of Luck in the future years.

John Longan

John,
I'm glad I got
to know you better
this year. We've had
some great experiences.
Make sure to keep up
that 4.0. You'll really
appreciate it come next
year. Good Luck to you
John.

John -
Wehh,

Jon,
I don't want to say. I guess
I can't say it. I'll say it all
your good luck in all
endeavors. I have pledge
myself to you.

-Σ-

Jon -

I hope you haven't
taken all my jokes
seriously. I really
didn't mean to get on
your nerves. You're
one of the most success-
ful boys at Poly and
still you've remained
humble. I'm so happy
that my good friend
hasn't gotten big-headed
you know I've always
looked up to you and
respected you for all
that you have done
with yourself and how
hard you've tried. You
certainly deserve all
the your successes.

Next year is
going to be Fabulous. I
can hardly wait for
Student Govt. It's some-
thing new to me, of course,
you're an old hand at
it. Have fun this
summer, Jon, so that
you won't have to
worry about working too
hard next year. Stay
cool.

Love always,

foreword

The famous enthusiasm and spirit of Poly has always been one of her greatest assets. This contagious drive has caught up many of the indifferent and swept them into its path of success and victory.

The strength of Poly's enthusiasm is exemplified in scholarship and outstanding fame in athletics as well as exceptional interest in student activities.

Without this enthusiasm, spirit, and encouragement, it would be difficult, if not impossible, for Poly to have accomplished any of the feats which have made her "The Home of Scholars and Champions."

Therefore, it is up to you, the graduates and student body, to uphold and continue the traditional success which has made Poly so well-known and respected.

Gynthia Nichols

in dedication . . .

miss rayma wilson

The Caerulea Staff is extremely proud to dedicate the 1965 Caerulea to Miss Rayma Wilson, a member of our faculty since September of 1949.

Miss Wilson, who received her Bachelor of Arts degree from UCLA and Master of Science degree from USC, taught for four years at Santa Paula High School where she was chairman of the girls' physical education department. She was also a member of the faculty at Compton Junior College for four years as well as at USC for two years. But this is not the entire extent of her teaching career. While in the U. S. Naval Reserve, she was on naval duty at Smith College and also at Hunter College, in both of which were located indoctrination centers where she was on the instruction staff.

Miss Wilson's career has not been limited just to teaching. On the contrary, for two years she was on the staff of Admiral King in the office of the Commander-in-Chief of the United States Navy. Her work was extremely confidential and involved the plotting and routing of merchant ships in the Atlantic Ocean area during World War II. Until the end of the war, Miss Wilson was stationed in the Pacific area on the island of Maui and was responsible for the recreation and welfare of over 4,000 enlisted personnel.

Athletics have also held an important place in Miss Wilson's life. In 1928 she was awarded the title of National Olympic Winner of the 800 Meter Track Race. In 1932 she was chosen as an alternate on the United States Olympic Swimming Relay Team.

The Caerulea Staff, joined by the entire student body, proudly pays tribute to this remarkable woman as a sincere and loyal member of the faculty of Long Beach Poly High School.

The California Scholarship Federation is an honors organization whose entrance is sought by students throughout the state. It is a program which was begun at Poly High School forty-three years ago by Charles F. Seymour and has now spread to more than 700 chapters. Members of CSF for four semesters, including once in the senior year, are honored as sealbearers and become an honorary member of the scholarship society of the college they attend. These outstanding students become life members following graduation. Their symbol, the CSF lamp, will continue to burn in honor of the great wealth of knowledge.

Jon,

I'm so glad to have been able to meet you this past year. I've met very few people who I've enjoyed knowing as much as you. You're one person who I can honestly say that I respect. You have, in case you haven't realized it yet, you have just about everything - grades, athletics, you're president of Chaparral just everything. You're a wonderful, marvelous person. With your fine personality, many talents, and continuous drive, you will surely travel far along the sweet road of success. I hope we can get to know each other much better next year and have lots of fun. Thanks for everything you've done for me. I hope I can pay you back and do as much for you next year. The very best of luck to you. Have lots of fun, be happy, and don't worry so much. God bless you, Jon.

Mr. Philips, we believe, is a man of action who is always on the go — with just one destination in mind — excellence.

He has directed the enthusiasm and energy of a student body into accomplishing more and better things than it ever thought possible. He is a man who, each day, enters to serve and does his tasks to the best of his ability.

We hope that these photographs help to show some phases of Mr. Philips' many responsibilities as the Principal of Long Beach Polytechnic High School.

administrators

Administering a high school of 3,300 students is a demanding responsibility. Our administrative staff has endeavored to complete this task in a successful manner. This year the CAERULEA Staff would like to spotlight two of our outstanding administrators: Joseph McCleary and William Voorhees.

As Asst. Principal in charge of instruction, Joseph McCleary has numerous duties. He must develop master class schedules, administer grading policies, supervise substitute teachers, and regulate transportation for field trips.

Mr. William Voorhees, Asst. Principal for Boys, is responsible for supervision of athletic programs at Poly as well as spectators at athletic programs. He is also in charge of the discipline and control of sophomore and junior boys.

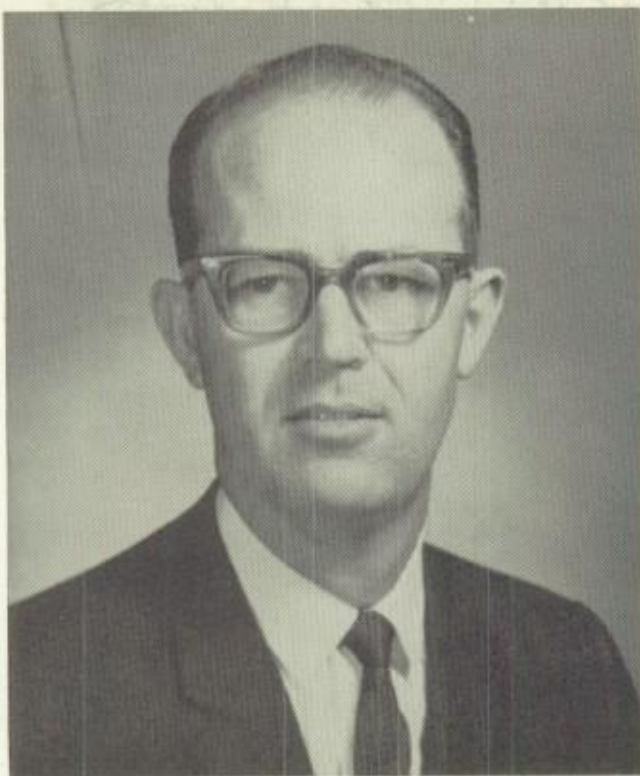

These are but two of the eight fine administrators who supervise the many and varied programs at Poly High School. They all have helped in making this year a most rewarding and memorable one!

counselors

The counseling staff has again this year shown itself to be essential in the successful operation of our school. Their jobs are both challenging and demanding—difficult and varied.

A few of the many duties of the counselors are educational, personal, and vocational counseling; assisting with the testing program; orientation of new students; participating in parent-teacher conferences; and college advisement and planning. Besides these, each counselor has specific duties of which he is in charge.

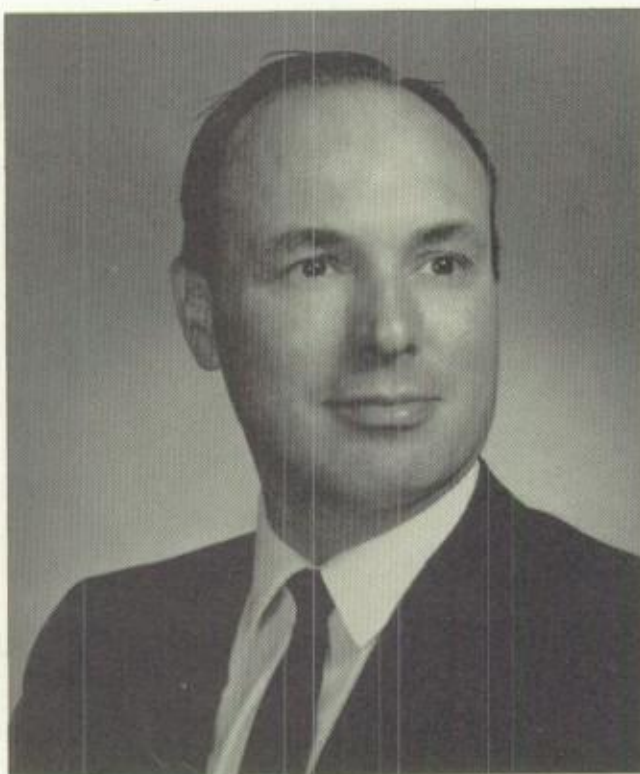

We are grateful for the help and consideration that our counselors have given us this past year and for their efforts in guiding us in our accomplishments.

Words create pictures in people's minds, and the words "Long Beach Polytechnic High School" have become synonymous with scholars and champions.

Poly has been envied, since its conception some seventy years ago, by most of the schools in the nation. It has become traditional, even common place, for Poly to annually produce outstanding athletes, students, and leaders. This is what has become known as Poly's Tradition of Excellence.

Enthusiasm has been the key to Long Beach Poly's successful accomplishments, and in the past year, you, the student body, have exemplified this Poly spirit more enthusiastically than ever before!

I was honored to represent the Home of Scholars and Champions on many occasions. We can always be grateful of what Poly has given to us and be proud of our part in making Poly even better for the future.

Dear John,
Just wait till you're
a senior buddy. Say
are you going to
love it. I know you'll
have a blast next
year as senior class
president. You'll even
be amazed to discover
how sick you'll be of
clubs next year even
though they seem to
mean so much right
now.

6
5
You've really got an
outgoing personality
that will always win
you many friends.
The best of luck
next year. May you
always be successful.

This semester has been for many of you and
for me the climax of three years of a pleasant
association—a relationship from which we ac-
quired knowledge from the faculty, friendship
from the students, and directions for the future
from the counselors and administrators. We
have tried this semester to further the loyalty
and enthusiasm of all the student body. To do
this, the officers you elected took specific steps
to improve all of our programs—Spring Sing,
athletics, service clubs, dances, and other extra-
curricular activities which are a vital part of a
sound education.

I believe that Poly is a fine example of a
great school with a tremendous student body.
During my three years here at Poly, I have been
fortunate enough to have participated scholas-
tically and athletically in Poly High life and
gained an insight into the concentration and
hard work necessary for success. In each area
Poly stands on the highest pedestal obtainable.
This pedestal, which supports our excellence,
was built by enthusiasm and a willingness to
achieve which has become a trademark here at
Poly.

My semester as Student Body President has
been a memorable one filled with challenges,
excitement, and unforgettable associations.
Long Beach Poly High School is truly the "Home
of Scholars and Champions."

The Fall Student Government exhibited the true Poly spirit by completing a number of worthwhile accomplishments. Poly was first in the Milk Bowl ticket sale among all the Long Beach high schools, first in the PTA membership drive and supported Poly's first place Moore League football team. The class also initiated plans for the furnishing of the Commission room and for improving the Hall of Fame. With these accomplishments, the Fall Student Government laid a smooth foundation for the Spring leaders to continue.

spring semester commissioners

The Spring Semester of 1965 was intriguing as well as challenging for the Commissioners and Student Government Class. One of the first duties on the agenda was the decoration and completion of the Student Commission Office, which now provides a very dignified atmosphere for major Commission transactions.

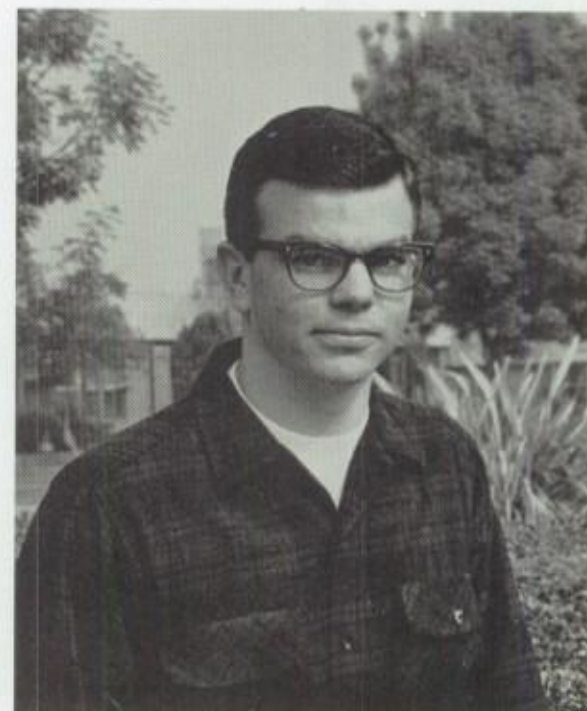

More work was done on the Hall of Fame, and two paramount goals were fulfilled. The first was to begin a gallery of pictures of all the previous student body presidents. The second was the placement of many Poly athletic trophies in the Hall of Fame.

The efforts of this year's Spring Sing proved to be successful as it was one of the very best performances ever seen at Poly. This was achieved through the effective efforts of not only the Student Government but also through the cooperation and participation of many campus organizations.

With the tremendous support of the Student Body, the Spring Semester was evidence of Poly's continued "tradition of excellence."

Girls' League is open to all girls and women teachers. As one of the largest and most active clubs on campus, Girls' League members have enjoyed a number of activities this past year.

Among the activities were the Pancake Breakfast, a tea for the women faculty, a Christmas party, the Backwards Dance, Porter Hi Day, and the May Pole Contest.

Girls' League gives service to the school and enjoyment to its members.

Boys' League, one of Poly's most active organizations, strives to attain one goal, the "tradition of excellence" maintained by Poly and its students. Utilizing the advantage of an open membership, Boys' League reaches out to boys with diversified interests and unifies them behind a common standard, the Poly banner.

A car show, banquets and breakfasts honoring Poly's great athletic teams, student-faculty water polo game, or the sale of programs and concessions at many school activities are all part of Boys' League's attempt to reach as many boys as possible and show them the fantastic array of opportunities on campus which are theirs for the taking.

Sweet John,

Congratulations on becoming president of Chapsanal and the Sr. class, I'm sure you'll do a great job. My three years at Poly has really been a hoot and our relationship has a high point of my high school career. Lots of fuck next year and in the years to come. We'll have to get together this summer for a little hoot. Paul Jones Williams

Working feverishly throughout the year to meet many deadlines, the Caerulea staff has finally completed your 1965 yearbook. The staff would like to take this opportunity to thank the three companies which have helped make this possible. They are: Taylor Publishing Company who printed the yearbook, the S. K. Smith Company who manufactured the cover, and the May Company, Lakewood who provided the majority of the photographs for the yearbook.

The Caerulea Staff hopes that the 1965 Caerulea meets with your approval.

High Life is Poly's official student newspaper. Written by the Advanced Journalism class and printed in the Poly Print Shop, the four page publication goes on sale once every two weeks to Poly students for ten cents or free with an activity book.

The High Life staff carries on an exchange program whereby it receives high school and college newspapers from all over the world and, in turn, sends out Poly's news to other schools.

The High Life staff is dedicated to giving the Poly student all the "info" as to what is really going on around campus and to make student activities interesting and entertaining.

In doing this the High Life recognizes, in black ink, the outstanding achievements of Poly's student body.

Being a school sponsored club, Masque and Sandal takes part in such school activities as the Caerulea trike race and the Spring Sing. Masque and Sandal also presents an annual drama festival in which anyone interested may enter into dramatic competition for trophies and awards. A banquet is held at the end of the year to present the members with various awards for their achievements in Poly's drama department.

Big John -

I consider it a great
rare privilege to have
gotten to know you
this year - we've really
had fun chopping &
~~burning~~ burning each - I
really enjoy you - you're
groovy!! But, more than
that, John I believe
that in you I have found
a true and sincere
friend. I wish that
I didn't have to leave
Poly for the simple
reason that it's so
difficult to end
friendships such as
yours. What can I
say? I wish for you
all the best that the
world can offer - I
think that with
drive and ambition
you'll make the grade.
So, thanks for all the
good times; for
just being you. Good
luck now and
always John. Have
a good yr. Year.

caerulea trike race

First Place: Junior Exchange—Bill Campbell, Bill Osborn.

Second Place: Spanish Club—Paul Anes, Ann Vaughan.

Third Place: Boys' League—Larry Tribbey, Wayne Swenson.

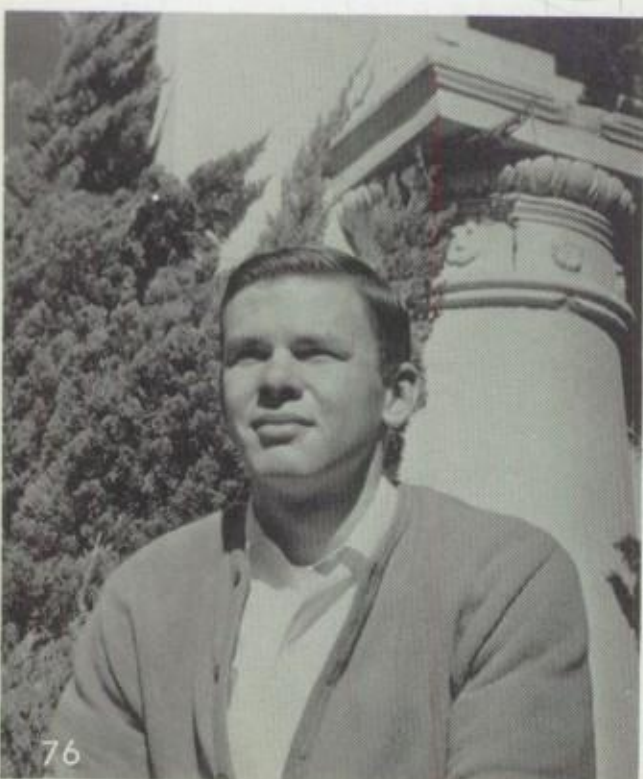

Coming to us from Victoria, Brazil, Angela von Randow has taken an active part in both Portia and Senior Girls' Glee Club.

She has taken pride in being a Poly student and will always remember the wonderful school spirit, football team and all the clubs and activities on campus.

"I still remember how scared I was when I was introduced in the first American Field Service Assembly, seeing all those people looking at me. Fortunately, I found a smile in each face," Angela commented. She added, "In fact, I will miss Poly in the future."

But please don't get carried away with it all.

As an American Field Service foreign exchange student, Russ Patterson spent two months last summer with the Xavier Picanal family of Barcelona, Spain.

Russ's Spanish father was a lawyer who owned the Hotel Suizo in the small mountain village of San Hilario Sacalm, 50 miles from Barcelona. Here the family spent the entire summer, and Russ's time was divided between swimming, tennis, the unforgettable food and Spanish hospitality.

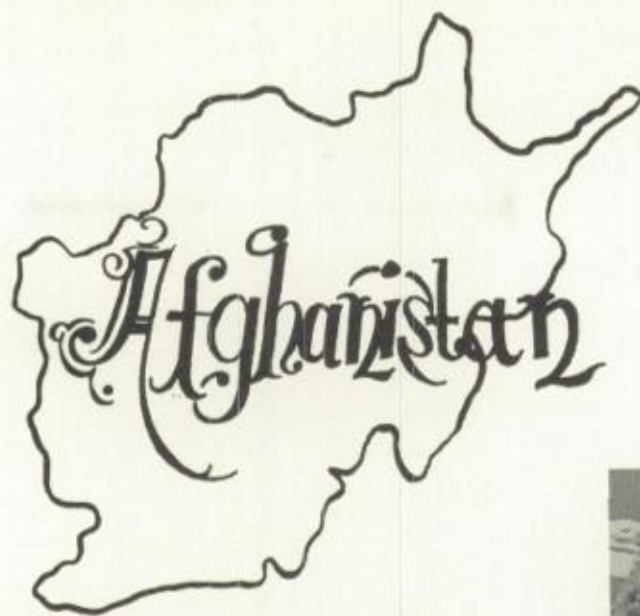

Russ commented, "The trip was really a most wonderful experience, and it brought me friends from all over the United States."

Remember - you still have another year of school. It's been my pleasure this year. Sincerely, I wish you happiness and luck throughout the coming years. Keep in touch this summer. Be good! Stay happy! Keep smiling! Love you

Sylvia

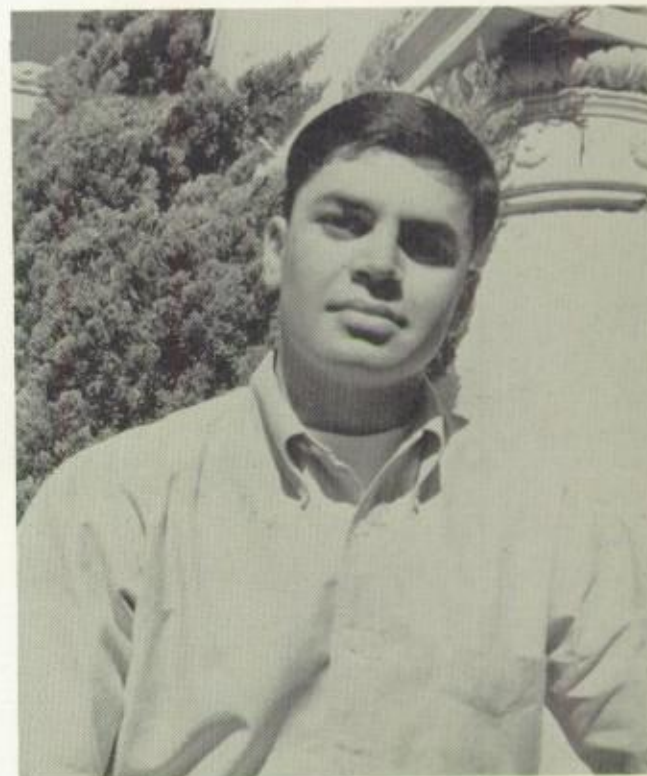

field service

Mohammad Karim Ali comes to us this year from Kabul, the capital of Afghanistan.

Afghanistan, a landlocked country, is situated in the heart of Asia, south of the Central Asian Republics of the Soviet Union. Its total area is not more than 250,000 square miles, or about the size of Texas. Afghanistan's population is estimated at more than thirteen million and most of these are Moslems.

Karim has become a member of Key Club and has taken pride in Poly. He finds America a wonderful place with its beautiful landscape and interesting places. But most of all he finds that the friendliness and warmth of her people have made America his second home.

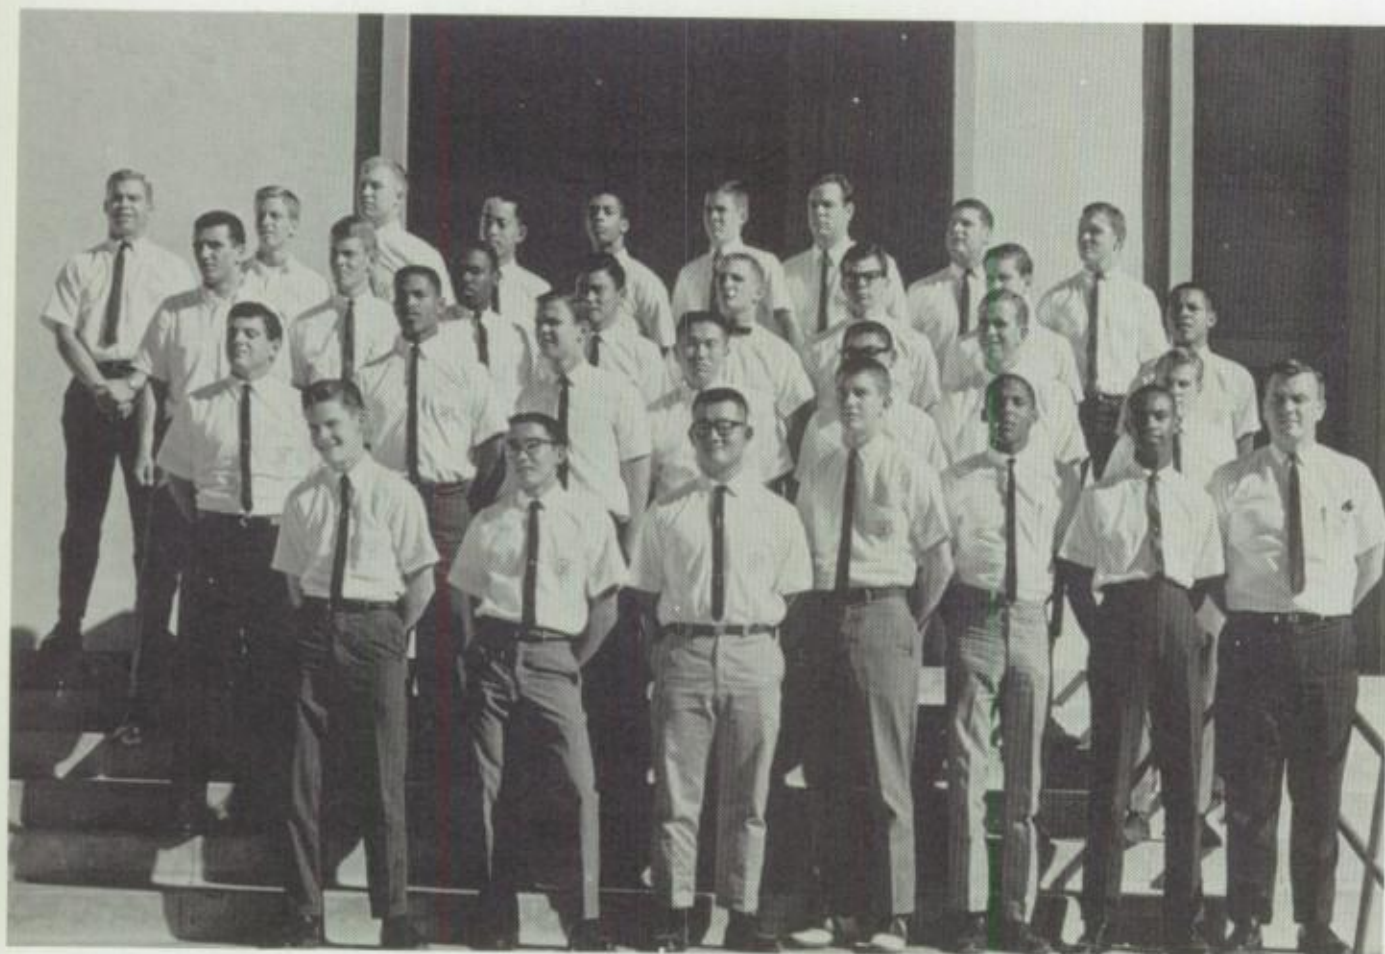

Lynn Winnemore, Poly's exchange student, has been studying in Denmark this year. Lynn was chosen as the American Field Service student to represent the United States from a field of aspiring applicants at Long Beach Poly. She was then chosen as a good will candidate from a national list of qualified students.

Lynn spent an entire year with her Danish family, Mr. and Mrs. Poulson. Other members of Lynn's "family" included two "sisters," Karen Suzette and Bente and a "brother," Tore.

Her personal concerns were adjusting to the extremely cold weather and mastering a usable part of the language.

senior men's council

Senior Men's Council is the only on campus club whose membership is selected purely on the recommendation of outgoing members and teachers. Membership consists of the outstanding senior men to be found in every field of endeavor at Poly. The purpose of the organization is to promote an active, unifying school spirit through leadership and service.

Left to Right, Row 1: C. Ward, L. Fukahara, H. Saraye, F. Crostic, M. Farris, J. Haggerty, R. Smith. Row 2: D. Stearns, G. Washington, R. Patterson, G. Kobata, D. Sugano, D. Hartshorn, S. Diotte. lettermen's club

Lettermen's Club is composed of all letter winners at Poly High School. This group provides fellowship for Poly athletes and service to the school. Lettermen's Club helped at sports events by forming an "L" in the white shirt section with their green lettermen's jackets.

caprice

One of the most active girls' service clubs at Poly is Caprice Welfare and Leadership Club. Caprice is composed of girls with good leadership and citizenship qualities who do service for their school and community. Caprice also participates in the Caerulea trike race, Girls' League May Pole Contest, and the Spring Sing.

key club

Key Club is a service organization composed of young men who excel in athletics, scholarship, and leadership. An A or B average is required to become a member.

The main purpose of Key is to give service to the school and community. Its motto is "We Build."

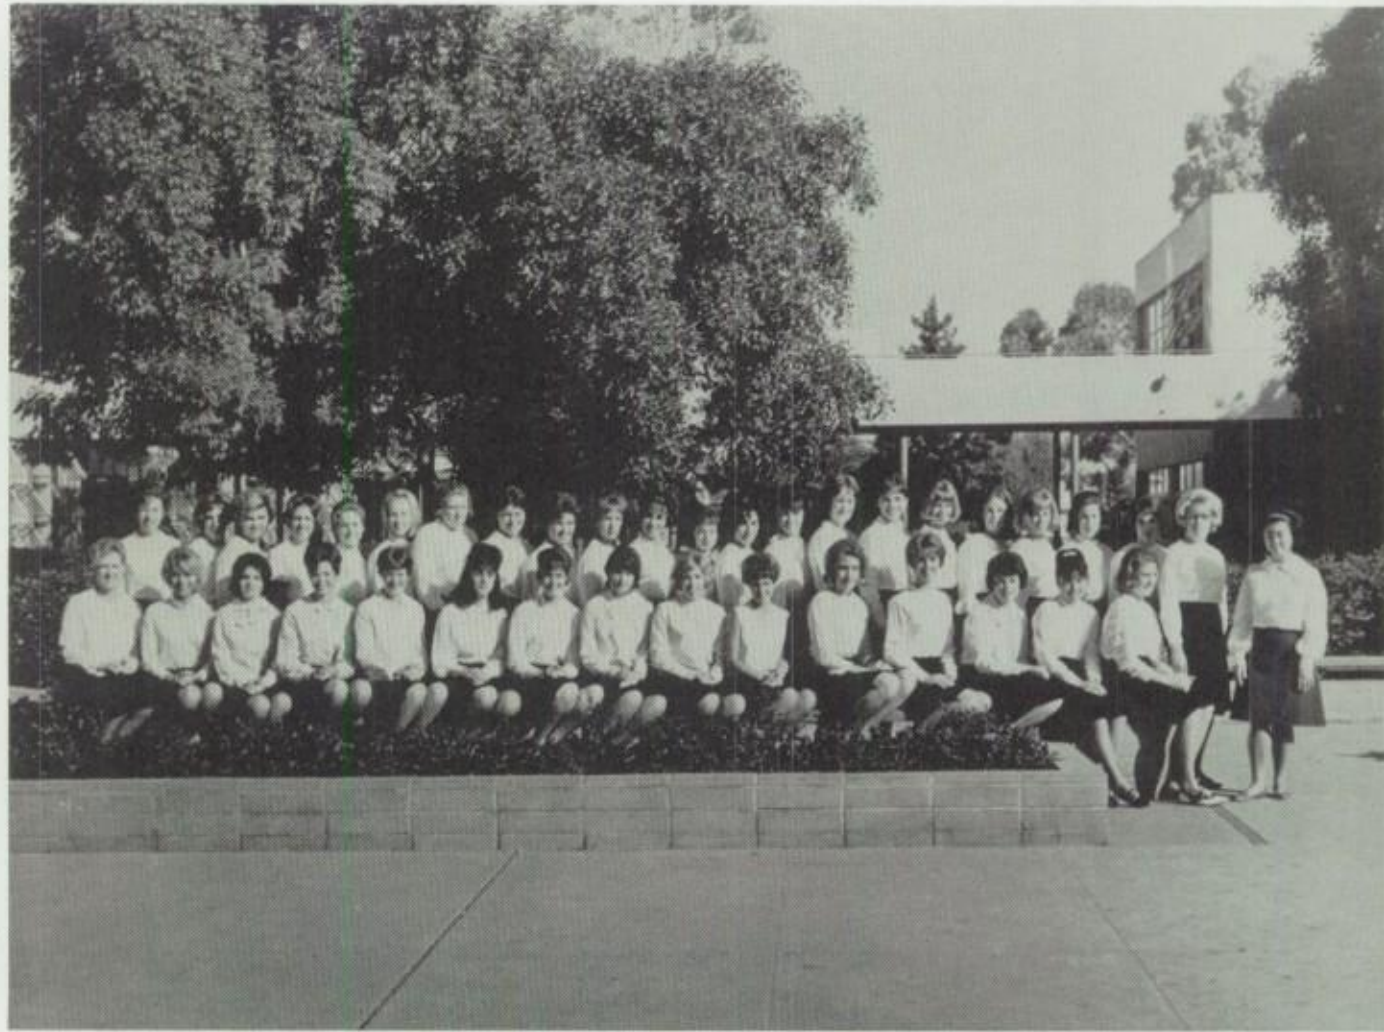

Key Club was very active last year. It won first place in the Spring Sing and was named Club of the Year. Some of its important service activities include: sanding and painting the lunch benches, sponsoring a Key Club display case, and entertaining the children at Memorial Hospital during Easter time.

color guard

The objectives of the Reserve Officers Training Corps are to teach the principles of leadership, respect for authority and habits of orderliness and courtesy. It develops a sense of responsibility and such qualities as integrity, loyalty and self-discipline, thus laying the foundation for intelligent citizenship. It is through these goals that it strives to produce citizens who are physically, mentally, and morally sound.

The curriculum includes physical training, marksmanship, first aid, map reading, military tactics, and drill and ceremonies. The cadets are taught methods of instruction and, in turn, apply their knowledge by teaching other cadets. Through participation in such activities as parades, exhibitions and color guard presentations, the Corps of Cadets strive to uphold its motto, "Service to the School."

play-offs

This season the Poly football team battled its way to an impressive 9-2 record. The offensive squad led the C.I.F. by scoring a tremendous average of 33 points per game for each of their 11 games and scored at least four touchdowns in every game they won. An alert defense held the opponents to an average of 12 points per game.

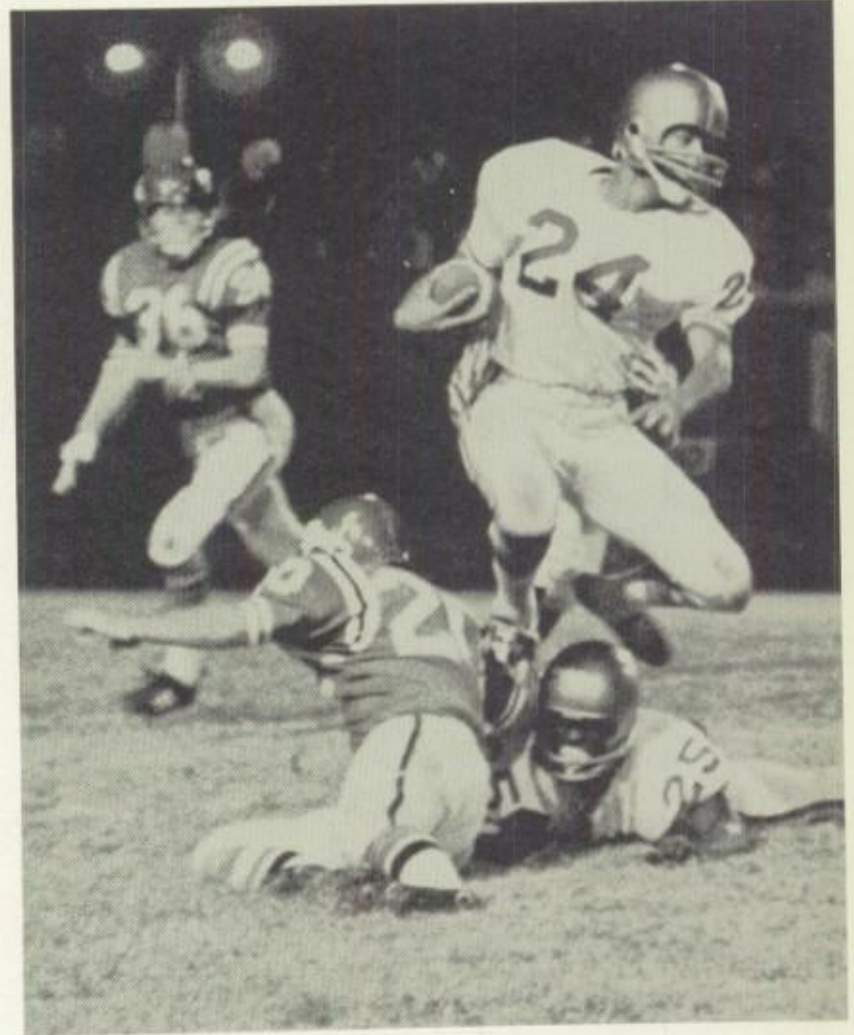

Poly won the Poly-Wilson game by a 28 point margin, the largest in the game's 33 year history, to take a decisive 18-12-3 lead in the history of the game. This was an example of the drive that led the Poly team to the C.I.F. play-offs.

The first play-off game was against Palos Verdes, who was powerless against the Poly offense. The offense, which gained over 400 yards, was led by Gene Washington, Al Nichols, and Manuel Murrell. An outstanding effort was made by the defensive unit in intercepting 7 passes. In this contest Poly was never forced to punt.

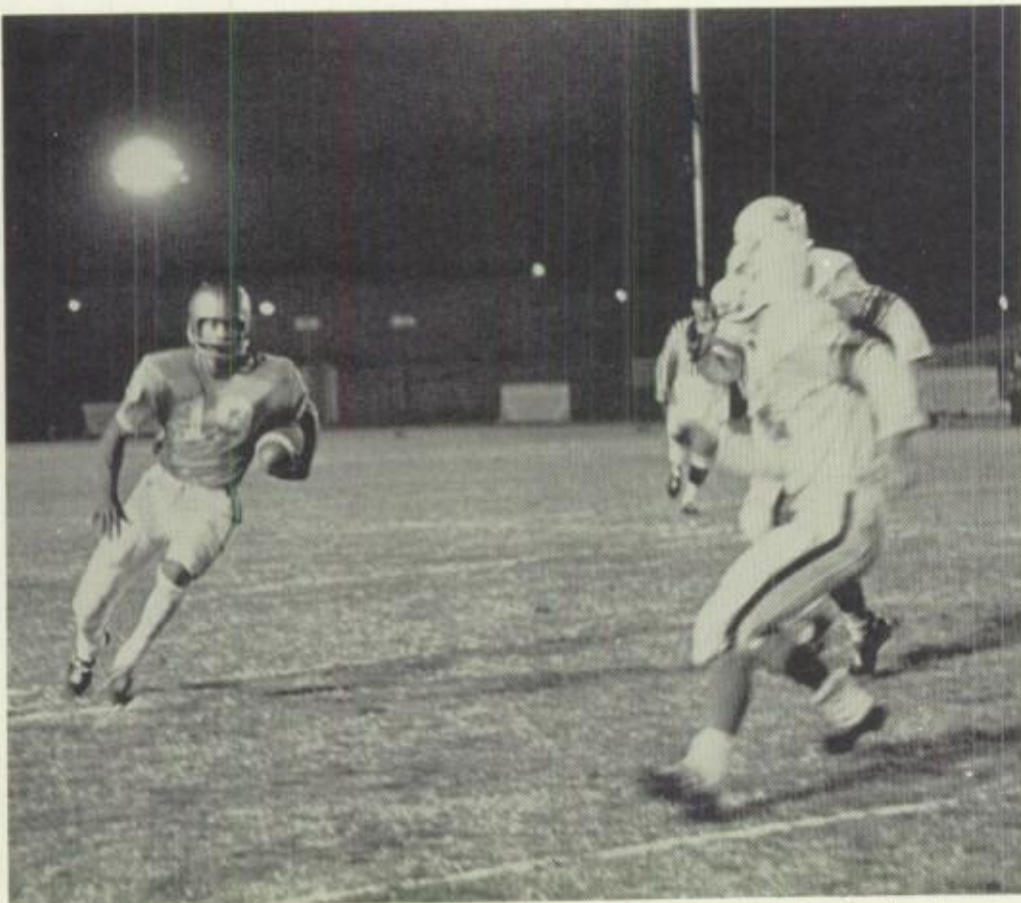

The second game placed Poly against Westminster, who boasted an 8-2 record. By the end of the first half, Poly had rolled up a lead of 26-0, and when the contest ended had 16 first downs to Westminster's 8. Washington's accuracy prevailed in hitting 10 of 14 passes. Al Nichols ran up 134 yards in 15 carries. Two interceptions by the defense set up Poly touchdowns.

The third game in the semi-finals, against Whittier, was lost by Poly, but by score only. Poly led in first downs and yardage by a substantial margin and was never forced to punt. Despite a game lost by mistakes, Nichols gained an excellent 177 yards.

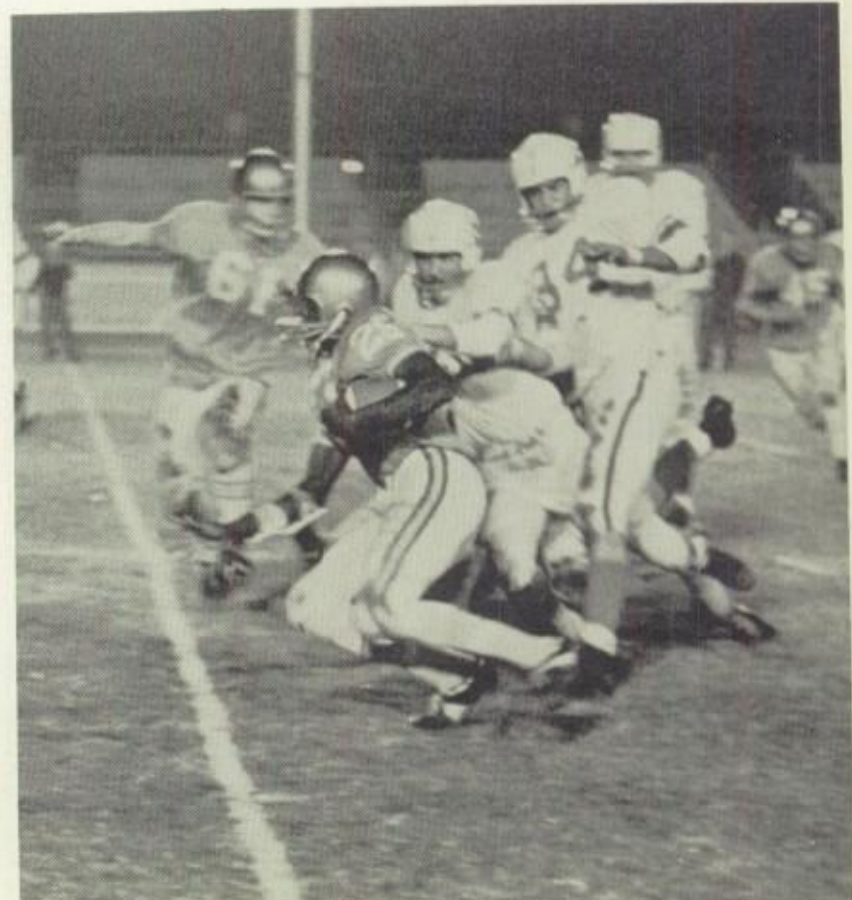

The Poly team was under the direction of Coach Al Matz. This was Coach Matz's first year in charge of the Poly team, which he led through an excellent season. The offensive backfield was led by Coach Pete Yoder and the offensive line by Coach Dick Keelor. The defensive backfield was handled by Coach Ben Bushman and the line by Head Trainer Chuck Bash. Assisting the team were J.V. Coach Rod Humenuik and "B" Coach Dave Radford.

Manuel Murrell jumps over an opponent blocked by Al Nichols as he heads for the goal line against Westminster.

Gene Washington rambles for a good gain against the Whittier Cardinals.

Al Nichols is pulled down by a gang of Cardinals in an effort for more yards.

This was a year for the Poly offense to break records. The highscoring backs of Poly broke the 191 point league record of 1959 by scoring a fantastic 194 points. Through the outstanding efforts of the offensive team, Poly scored not less than four touchdowns per game in league play.

The outstanding single record setter was muscular half-back Al Nichols. At the end of the Moore League season he had shattered Willie Brown's league rushing record of 765 yards by 31 yards and set a full season record of 1,217 yards. The backfield was headed by quarterback Gene Washington. He was already well known for his passing accuracy and this year proved his running ability game after game. Ken Kosaka and Manuel Murrell, hard-working halfbacks, ran long gains and punched out short yardage on crucial plays. Fullback Duke Richardson threw many key blocks for long yardage gain plays. Outstanding ends were Tom Massey and Benny Sanchez. Sanchez was also called on to perform quarterback duties.

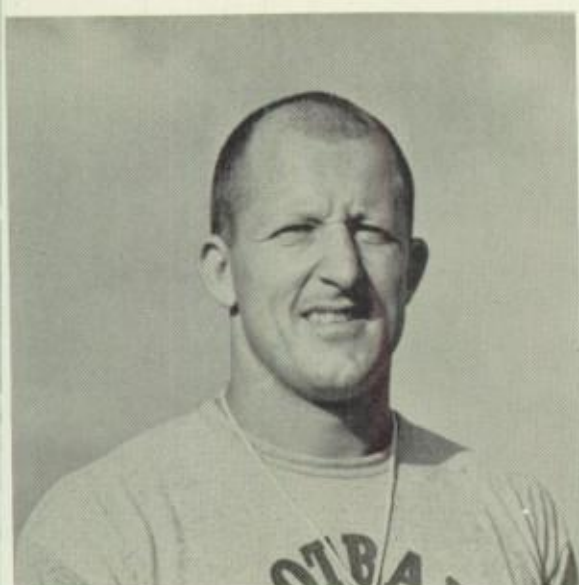

The scoring records of the backfield were made possible by a tough offensive line that opened the path for our backs. Center Bill Conner was excellent on kickoffs

in addition to his outstanding blocking. Guards that split their opponents' line were Rich DeCoudres and Gary Bennett. Making blocks that stopped the defense were tackles Malcolm Gordon and John Webb as well as strong end Jim Musgrove.

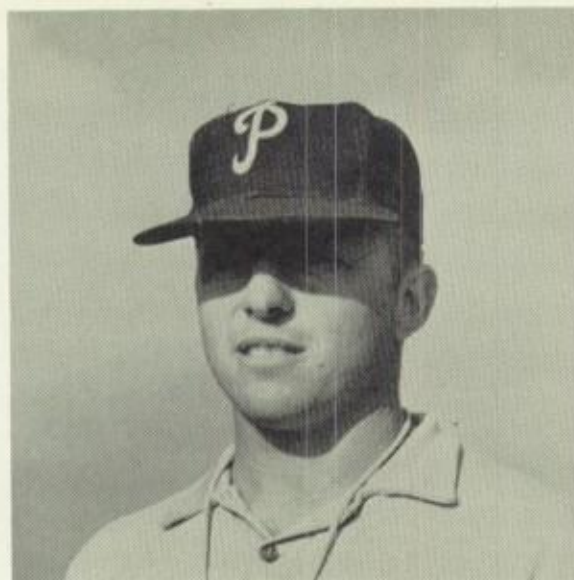

The Poly defensive team this year was a combination of agile backs and a mobile line. This combination held our opponents in Moore League competition to an average of 12 points per game.

The position of defensive back is thought of by many coaches to be the most difficult in football because it requires a combination of speed, agility, and ability to hit hard. The players in the defensive backfield included Ken Kosaka, Larry Freeman, Gilbert Moxley, Levon Powell, and Mike Campbell. Hard-rushing line-backers were Cliff Reynolds and Bob McMackin. Also important in stopping the opposition was Allen Davis, at end.

In the demanding position of tackle were steady hard-hitters Jim Park, Mike Mesenbrink, Phil Snowden, Steve Tilghman and Ken Dumong, veterans of a year of varsity play.

The 1965 basketball season was one of tremendous achievement both for the team and for the student body. A season record of 29 wins and 3 losses and 20 wins in a row were but two of the Jackrabbits' accomplishments. In addition, Poly took the Compton Invitational Tournament, placed first in Moore League, and most important, went on to gain the C.I.F.-S.S. AAA Championship for the second straight year. This latter feat has been equalled by only one other team in the history of the C.I.F., the Poly team of 1939-40.

In the Moore League, Poly had plenty of time to set records. Perhaps one of the greatest of these was to break the Moore League scoring record, previously held by Wilson, with a score of 108-54 against Downey. Poly's score broke 100 three times this year. Chuck Moore was selected Moore League player of the year while Mack Calvin and Trent Gaines were also named to the first team.

Poly secured its 1965 championship title by the highest score and the widest margin in the history of the championships when the team defeated North Torrance High 90-48. Three players from the Poly team were chosen for the All-Tournament Team: Trent Gaines, Chuck Moore, and Mack Calvin. Gaines was also named best player of the tournament.

This was a magnificent team because it was just that—a team. This "one for all, all for one" attitude won ball games for the rabbits. Poly's team had that attitude thanks to a campaign speech for student body president made by Gene Washington earlier in the season. Coach Willard Foerster demonstrated how Gene's "no man is an island" theme could be applied to basketball, and it immediately became a 'motto' for the team. When this sportsmanlike idea was supplemented with a talented team and the fine coaching of Coach Foerster, the rapid rabbits were truly an unbeatable team.

Poly's J.V.'s won the Mayfair Tournament, the only tournament open to J.V. teams in this area, as well as first place in Moore League. The team showed coordination and spirit under pressure. Preparedness for varsity basketball was stressed, and basic fundamentals were a daily ritual. The learning of defensive skills was the main objective of the year. The team developed an aggressive defensive minded attitude which accounted for its successful season.

varsity track

With an eye cast toward the 1965 CIF Championship, the returning 1964 State Co-Champions started the season off with a "bang." Fred Muench showed excellent form by running times of 9.8 or better in the 100 yard dash. Larry Freeman broke a long standing record in the high jump by leaping 6'7" in the Long Beach Relays. John Hubbel hit 60 feet consistently with the twelve pound shot. Manuel Murrell, bronze medalist in the State CIF, long-jumped 24 feet on numerous occasions and ran both high and low hurdle races in record times. Following in the footsteps of National Champion Earl McCullough, Manuel proved himself the "iron-man" of

the 1965 squad. Al Nichols, who ran 1:52.7 in the half-mile in 1964 was predicted to set a new National Record in 1965. Alan Fraser and Bob Rollo consistently ran the 880 in under two minutes. Terry Toole was Poly's number one man in a new event this year, the two mile. Julice Haggerty and Sam Shipp ran under 50 flat in the quarter mile. Dave Sugano again leaped 23 feet in the long jump. Mike Mesenbrink struggled to come up to his best shot put mark of the preceding year of 57 feet. Tom Massey was a consistent high jumper over 6 feet and ran the 'tall sticks' in times under 14 seconds. The 1965 team was, indeed, made up of outstanding performers.

The 1965 Varsity Baseball Team found itself blessed with a great number of promising juniors and sophomores. The team contained but five seniors and five varsity lettermen, the smallest number in years. The only question was how long it would take for the rookies to become veterans. Playing in America's most beautiful municipal ball park, (Blair Field) and in a league which has produced two CIF winners in the last three years; the Poly varsity nine hoped to be on the threshold of greatness, and "with a little bit of luck" hoped to cross that threshold a year early. A junior-laden junior varsity team promised to provide the 1966 Varsity with adequate players at each position two and three deep. Ultimate success rested on the creed of the baseballers — "You don't play baseball — you WORK it!" The newspapers picked Poly to be fifth this year, and the team hoped that the final league standing would fool the prognosticators.

martha watson

An outstanding example of maintaining Poly's tradition of achievement is Martha Watson. While a student here, Martha broke the national high school record for the running broad jump.

Martha went on to honor Poly again by becoming a representative of the United States in the 1964 Olympics. Caerulea takes pride in honoring Martha as a representative of the Home of Scholars and Champions.

of 1965

Some day we will be able to judge more accurately the role Poly has played in our lives, but now we can only remember the little everyday occurrences that have made Poly a part of us. Yes, now we will reach out into the world to show our worth, yet in our hearts we will always be a part of Poly.

Jon,

This has been a good year. Poly did bitching in all that crap - athletics, etc. And I got to know Jon Severson better. You are really held ^{high} in my ~~high~~ esteem because you have a heck of a lot of "class". Grades and all that crap means nothing if you don't have a bitching personality, and you do. Respect, I don't really hand out freely, but you demand a great deal of it. I know you'll have a great year next year 'cause you have it all. Good luck o

Comusly,

Stuart

Jon, I really am
glad that I've had a
chance to get to know you
better this year. I've grown
a great deal and
I hope that next year we can become
even better friends.

Jon,

It's really been great knowing you these past few years. You're really a brithin' guy. This is really terrible, the guys that I should be able to write a whole page to, I can't think of a thing to say. I hope to see you a lot this summer. I'm sure we will have some classes together ~~the~~ next year. Congrats on being elected Chapparal Pres. See you next year as Senior Class President. Good luck.

Comusly,

Brian Morotte 

Ken Mui

Jon,
Well, another year is gone and we're still good friends. I hope we continue to be the best of friends. Good Luck Always you white Chinese. All I can say is "Bon zai".

Hi Jon,
Mr. Talbot's been a cruch class, huh?
Good luck next year.
I know if you work as hard as you have this year you'll make valedictorian.

Have fun
John Holm

Big Jon-
Alice

No young in chemistry next even if you did this year everything. Good luck now, and in the future, and have a nice summer, and see you next year.

Dean Wilson
Class of '66

Jon,

This year in Chemistry has really been something. I'm very happy that we met someone I feel that I know someone. Congratulations on your election to Senior class President (and Senior Mavis Council). Best of luck. (Student Body President next?) Best
your friend,
Howard Skinner

Jon;
Have fun in the summer
going to summer school (Ha).
Stay cool and grow a blond beard.
Mavis coming in dark.

Ron Taylor

Jon -
I heard a lot about you from only kids but I'm so glad I came into this class - I'm sorry because you're a very nice guy and wit, and your personality, you're it a charm, you'll be anything you want to be. President talk to me, I'm just that girl with a lot of brains but you're so intelligent I'm not the proverbial "brain". Good luck next year as Linda Hong president.
Hope to have a class or two with you next year.

Jon

Say man

It's sure has been a blast knowing ya these past two years. Best of luck to ya a have loads of fun this summer.
Best wishes
Dick

Dear Jon-

My goodness - the year went fast.

Guy - we've been friends for a Long

Time, huh? Good. Gosh, I don't know

what to say to you. I'm glad I know for

sure that I have a class with you

next year. Jon - you're a fair person -

but baby - watch out for yourself. I

remember one nite at the Hutch when you

"fell" on me. Man, was I scared. But

because you're Jon - you came and apologized

to me. Cool People. Well, I'm not

writing anymore, cuz I don't know what

to say.

Fondly

Jon

(B.B. Anderson)

Bob

See you old turkey.
Well we just wasted another
year with Georg. It's really been fun
all that. Maybe if you take Physics next year
we can have the same class. Or well start at
you next year end summer maybe.
Hughes this summer even before
starter
P.S. Sort of bull wasn't it?

Boy were really
had a few good times
together this year but
they have been just to
few, if you know what I mean.
And I think you do. But good old
Co will keep us together, won't he?
Let me see: will have a couple more bike
trips and will have to make it on down to
the beach. Yes you this is true. Boy now that
your the Pres. you think are so stay the big man
on campus. Well you and don't get mixed up with any
